

WHEN HIGH END AUDIO EXPERTS JOIN FORCES

This is what Digital Audio needed all along!

People with great passion and knowledge continue the NADAC quest. With a unique 1-bit technology completely redesigned **NADAC D** and **NADAC C** will take Digital Audio to a previously unknown musical level. Official launch at High End 2024.

www.master-fidelity.com

The NADAC premieres will be accompanied by the introduction of **ELLA MKIII** a revolutionary poweramp from Naiu Laboratories that will break boundaries in amplification.

www.naiu-laboratory.de/en

Both join forces with speaker design legend Joachim Gerhard introducing his brand new **KRONOS** reference speaker system.
